

Good Sunday Evening Gulfside Pelicans. This is Mrs. Krapfl your principal and I'm hoping everyone is having a nice weekend.

We have had a lot of new little pelicans register with us the last couple of weeks so I want to be sure you know we are a Community School Partnership and have many resources to offer our students and families. If you are in need of a service or support just come into the front office and fill out a community school referral form explaining your needs. The Community School director will then take a look and see how we can work together to help. We have dental services right on campus, mental health support, and can help locate other resources to meet your needs. Your child's education is very important to us and we want to help you prioritize their learning.

It's a quiet week at GSES with our usual events of 4th/5th grade math camp, 4th/5th grade chorus, and 3rd grade reading book club.

Boys and Girls I have an exciting chance for you to be able to win a trip for the day to walk on the Tampa Bay Buccaneers football field, go inside the pirate ship, and meet important people that make the Football games happen! How do you do this, you ask? Well, on January 31st we kick off this year's cookie dough fundraiser. This fundraiser will continue to provide student and staff incentives. The school store will get more fun items for boys and

girls to earn with their pelican tickets. All students that sell 10 or more tubs of cookie dough will get a free trip for a day to visit the Bucs Stadium. Tuesday morning those families going through the car loop will get to sample the cookies as they really are delicious.

New families to Gulfside we want to invite you to a community dinner at the Holiday Lake Civic Center every Thursday night. This is for all families and is complimentary. A chef prepares the food and there is always plenty as dinner starts at 5:30 to 6:30.
