

Happy Sunday Gulfside Pelicans.

It's Mrs. Krapfl with your weekly school updates. This week is our onsite dental clinic is open to place sealants on student's teeth as well as provide fluoride treatments. Be sure to submit your consent form if you would like this service provided for your child.

On Tuesday we invite anyone interested in participating in this year's PTO team. This organization helps put on great events for our students to include the annual Trunk or Treat and Valentine's Day Dance. We need more eager participants so we can continue this work and even add events this year. The first meeting is a great way to learn more so we hope to see you in the media center on Tuesday at 5:30 p.m.

Wednesday our students are in for a treat with a musical performance! Our PBIS committee is working hard to bring positive messages to our students and this week they will see "Bullyproof" The Musical. Be sure to ask them about their experience when they come home on Wednesday.

This Thursday is the flu shot clinic for students. If you want this provided free of charge please sign the consent form and send it back in with your child. Our school registered nurse will be on site while shots are given to the students.

Calling all YMCA parents! Thursday night is the night to learn more about the Achievement Gap Program at the Y. We hope to see you at 5:15 for an informational session. If your child does not attend the Y, but you are interested in learning more come on out so you can see if it's what your child needs.

Friday night is our very first Astro Skate for the year! We are excited as this is a long standing tradition for our Pelicans. I encourage all pelicans who want to go to Astro skate on Friday to make responsible choices as this could be a consequence for getting a discipline referral. Send in those permission slips to the front office before Friday!

All our regular enrichment groups continue this week to include Yoga, Book Club, and Chorus.

Families, Gulfside has an annual Veteran's Day Ceremony and we like to honor Veteran's of our little Pelicans. A form was sent home for you to fill out with any family members who have served in our Armed Forces. We want to recognize them on November 10<sup>th</sup>, which all families are invited to attend as well. If you didn't get a form then stop by the front office and find additional forms in the hallway.

Have a great week Gulfside!
