

## **School Messenger Calls- Sunday November 6<sup>th</sup>, 2017**

Happy Sunday Pelicans! This is Mrs. Jarvis, your assistant principal calling with your weekly notifications.

Families, I have several updates with our after -school enrichment programs. This Monday begins Capoeira with Ms. Davis for our 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade students. For yoga participants, it will be our last week for all grades. If interested in yoga in the future, be on the lookout for flyers in the second semester. Also, The Valley National Bank packets for 5<sup>th</sup> grade students went home and need to be returned this week if you would like to participate.

Parents, I'm sure you have seen the Cookie Dough Fundraiser in your child's backpack. This is important to our school, however we do not want students going door to door. Please only sell to family, friends or at family work locations. Students who sell 10 items will earn a field trip, this year's special location is the Florida Aquarium in Tampa. If students sell 20 items, they may also bring an adult with them on the trip. We also have a class competition; the two winning classes will have the chance to dress up the principals any way they choose. The top selling class will dress up Mrs. Krapfl, our principal, however they like and 2<sup>nd</sup> place can dress up me, your assistant principal. All orders are due for this fundraiser by November 15<sup>th</sup>.

Friday, November 10<sup>th</sup> is a busy day, we have 2 events taking place. One is our annual Veteran's Day celebration, it will be held on the basketball court at 2:00 p.m. It is not too late to have a special veteran recognized, just turn in the form to Mrs. Tammy in the front office no later than Wednesday.

The 2<sup>nd</sup> event is our November Astro Skate night, remember to send in permission slips to the front office with all information complete by 12:30 on Friday. Money can be sent on Friday, the cost for admission is \$7 which includes the bus ride to Astro. Parents, students MUST be picked up by 6 p.m. at Astro, please send the adult listed on the form with a valid ID.

As the holidays are approaching, it is a time to be thankful. If you can spare a non-perishable item to bring in for our Holiday Food Drive it would be appreciated. We will be supporting some of our Gulfside families during the Thanksgiving and Christmas Break. A suggested list of donations was sent home in the Pelican Packet, but any item will be appreciated.

Lastly, If your child plays soccer with One Community Now, this Saturday is the last game. Be sure to thank your coaches and adults who volunteered for the kids each week.

Have a Fabulous Week, Families!
