

Hello Gulfside Families! This is Mrs. Jarvis, your assistant principal with your weekly events. I hope you had a restful weekend and are gearing up for a very exciting week at school.

For enrichment this week, it is busy... busy!

On Monday, Capoeira continues with Ms. Davis for our 3rd, 4th and 5th grade students. Pick-up is 5:00 p.m. in the car loop.

DASH robotics has arrived! DASH is a responsive robot that interacts with the students. Our students will learn about programming and problem-solving through academics in this enrichment. If you returned the consent forms that was in the Tuesday Folder, please drop off Kindergarten students at 8:45 a.m. on Monday, 1st and 2nd grade students at 8:45a.m. on Tuesday and 3rd and 4th grade students at 8:45a.m. on Wednesday. DASH will be held in the HUB. Drop-off in the Car line is most convenient.

Our STEM Coach, Miss Nettler will be offering a Legos enrichment to our 5th grade students during the school day.

On Wednesday, The **Great American Teach-In** will be held to celebrate **American** Education Week. Members of the community have been invited to our schools to speak to students about their careers. We have about 10 guests that will share their profession with your children. If you would like to participate next year, please speak to Nanette Galati to arrange the details.

ALL Cookie Dough fundraisers are also due on Wednesday, November 15th. If you have sold 10 items, you don't want your child to miss the field trip to the Florida Aquarium. Make sure those are turned in on time.

On Thursday, One Community Now will provide a nice Thanksgiving Dinner at the Holiday Lakes Community Center at 5:30 p.m. Some of our chorus members will also sing patriotic songs for the families.

Last, but certainly not least, Friday, we have the Amazing Lizzie Sider here, a singer/songwriter who will perform for our students about Anti-Bullying. Lizzie was a victim of bullying and will share her story with the school. Her message is "Nobody has the power to ruin your day." If students want to dress for the event, butterflies are the theme. I know many staff members that will be spreading their butterfly wings for the event.

Families, Friday is also the day to expect the Progress Reports in the backpacks and our last day before Thanksgiving Break. We wish everyone a safe and peaceful

time away. School resumes on Monday, November 27. Happy Thanksgiving,
Pelicans!
