WE ARE HERE FOR YOU

FOOD FOR FAMILIES

We know this is a challenging season and we want to help lighten the load with meals for your family. You can register to receive a meal box every Tuesday through our drive through pick up at Gulfside Elementary. Delivery is available when needed. Please email mperalta@yfainc.org or call/text (727) 351-2367 to register your family.

This was made possible by the generosity of our community partners. Thank you, **New Port Richey Rotary and Restoration Church**, for your generous donations. It is a privilege to partner with you to care for families in our community!

WHAT'S NEXT?

TEACHER APPRECIATION

The month of May is Teacher and Staff Appreciation! Help us encourage our teachers at Gulfside! If you would like to do something special like write a note, draw a picture, record a video, or anything else you can think of for our teachers and staff, we know they would greatly appreciate it! You can drop off any items for them on Tuesday's at the school from 11 to 4pm, or email it directly to your teacher or to Mary Peralta at mperalta@yfainc.org.

KINDERGARTEN REGISTRATION

Mark your calendars! On July 8th, onsite Kindergarten registration will be available at Gulfside Elementary. The Hub will also be offering free school entry physicals and immunizations in the School Based Health Center from 8:30am to 3:30pm. Please contact chemphill@yfainc.org for more information.

WE ARE IN THIS TOGETHER!
