

mySchool Online Parent Guidance

Please continue to:

- Visit [Parent University](#) to learn about the tools and resources your student will be using and accessing.
- Help your child get organized and set up for the day.
- Support your child if they ask for help with technology.
- Communicate with your child's teacher on a regular basis outside of instruction and live lessons.
- Check-in on your child throughout the day.
- Trust that your child's teacher is making instructional decisions necessary to meet the needs of your child and the class.

Recommendations During Instruction:

- Create a comfortable, **distraction-free** place for your child to work and attend online classes.
- Allow the teacher to provide the required instruction without interruption.
- Allow your child to request assistance from the teacher.
- Allow your child to have a productive struggle before intervening with answers.
- Resist the urge to complete work for your child, rather, be supportive of their learning.
- Avoid noise in the background, such as conversations, watching tv, listening to music, etc.

IMPORTANT REQUIREMENT!

Parents/guardians are not to join their child's online classes or be visible on their child's screens during classes. This helps to ensure the privacy of our students, and we appreciate your cooperation in this. Parents are encouraged to schedule private conversations with teachers as needed in order to respect the online learning environment.

Dear Parent/Guardian,

Please sign and return the acknowledgement below informing your child's school that you will adhere to the above parental guidance related to mySchool Online. Adherence to the above guidelines will help to ensure the success of all our students. If this does not occur, your student may be removed from the live instruction for the remainder of the lesson, day, or period deemed appropriate by school administration. Thank you for your support in ensuring your child has a successful school year.
